2020-2024 Parks & Open Space Plan Survey

1. Survey

The City of Monona Parks & Recreation Department wants community participation in our Parks & Open Space Survey to gather information for updating Monona's Park & Open Space Plan for 2020-2024.

The purpose of the survey is to assess the current and future leisure interests and preferences of community residents. Data obtained from the survey will be used by the City of Monona to guide the development of future programs and facilities.

The survey questions will focus primarily on parks (areas designated for passive and active recreation), and open spaces (lands suitable for preservation and education.)

This survey should take approximately five minutes to complete. Please respond by THIS DATE. Thank you in advance for your participation!
