This recognition is effective as of the date the Wisconsin Employment Relations Commission issued the certification of representative, February 21, 2001.

ARTICLE 3 – MANAGEMENT RIGHTS

- 3.1 The Union recognizes the prerogatives of the City and the Chiefs of the Fire Department to operate and manage its affairs in all respects in accordance with its responsibilities and the powers of authority which the City has not abridged, delegated or modified by this Agreement, and such powers or authority are clearly retained by the City of Monona.

These management rights include, but are not limited to, the following:

- (a) To utilize personnel, methods, procedures and means in the most appropriate and efficient manner possible.
- (b) To manage and direct the employees of the Department.
- (c) To hire, schedule (including overtime), promote, assign work, train or retrain employees.
- (d) To suspend, demote, discharge, or take other appropriate disciplinary action against employees for just cause.

- (f) The City retains the right to establish reasonable work rules and rules of conduct.
- (g) The Union agrees that the City may assign members those duties deemed to be in the best interest of the City and efficient use of available manpower. It is understood between the parties that the initiation of new service programs, modifications of existing programs and change of duties that are not related to the primary missions of the Department shall require approval of the Common Council and the Mayor in accordance with municipal legislative process.

It is understood between the parties that when the duties of the employees are changed or when new service programs are implemented that are not related to the primary missions of the Department the Union retains the right to negotiate on remuneration for those added responsibilities. It is agreed that any such agreement reached between the parties related to the article shall be payable retroactively to the date of the implementation of such changes.

The foregoing rights must be exercised consistent with the provisions of this Agreement.

ARTICLE 4 – FAIR SHARE

- 4.1 Membership in the Union is not compulsory. An employee may join the Union and maintain membership therein consistent with its constitution and bylaws. No employee will be denied membership because of race, color, creed, age or sex. This Article is subject to the authority of the Wisconsin Employment Relations Commission to suspend the application of this Article whenever the Commission finds that the Union has denied an employee membership because of race, color, creed, age or sex.

ARTICLE 17 – HOURS OF WORK, OVERTIME, REPORT PAY

- 17.1 The scheduled work day shall be twenty-four (24) hours. The uniform work day shall start at 7:00 a.m. and end at 7:00 a.m. the following day. The scheduled rotation shall be two (2) days on, followed by four (4) days off. Each full-time employee shall work an average of 2,496 annual salaried hours, using a 24-day work period, accomplished by scheduling 24-hour "work reduction" shifts throughout the year into each employee's scheduled rotation. Management has the sole right to schedule all work reduction shifts.
- 17.2 All work performed in excess of their normal, regular scheduled work day or calendar workweek, or all work performed in excess of one hundred eighty four (184) hours per twenty-four (24) day schedule (work period), shall be paid at the rate of time and one-half (1-1/2) the employee's applicable hourly rate of pay for all hours worked, or compensatory time at time and one-half (1-1/2) as mutually agreed upon. Overtime hours shall be offered to the most senior employee with the least amount of year-to-date overtime. For this purpose, new hires will be considered to have as many overtime hours as the employee with the most amount of year-to-date overtime. Compensatory time must be taken or paid in the calendar year earned and may not be accumulated to more than 144 hours. Unused and unscheduled compensatory time earned since January 1 will be paid on the employee's November 30 payroll check. Employees may not earn compensatory time in the month of December.
- 17.3 All employees shall respond to a call to work outside of their regular schedule of hours by the Chief or his designated representative. A minimum of two (2) hours at time and one-half (1-1/2) shall be paid to any employee who is requested to report to work outside his regular schedule of hours or who reports to work as scheduled and is sent home. An extension of a shift at the end of the employee's normal shift does not constitute a call-in. If an employee is already working and is required to stay beyond his scheduled shift, he shall be paid at one and one-half (1-1/2) times his normal rate of pay for all hours worked beyond his regularly scheduled shift. Pay for an extension of a shift shall be calculated in full one-quarter hour increments (1/4 hour equals fifteen (15) minutes). For example: An employee working twenty-one (21) minutes past his normal end of shift time would be paid for two (2) full one-quarter hour increments (thirty (30) minutes). Court time shall be subject to the call-in provision.
- 17.4 All employees shall be paid on the 15th and 30th of each month, except February, which shall be paid on the 15th and 28th/29th of the month.
- 17.5 All employees shall continue to earn and accumulate any benefit contained in this Agreement while on any paid leave.

- 18.2 The Employer shall pay the appropriate premium for a unit employee who is absent because of personal illness or off the job injury for the duration of his basic credit under Article 19, Supplemental Benefits, and for six (6) months thereafter rounded to the nearest full month.
- 18.3 The Employer will pay the appropriate premium for a maximum of twelve (12) months when a unit employee is absent due to occupational illness or injury.
- 18.4 If a unit employee is granted a leave of absence and desires to have his insurance coverage continued, he must pay the Employer, prior to the leave of absence being effective, sufficient monies to pay his appropriate premium to the health and welfare plan during the period of his absence.
- 18.5 The Employer shall pay the appropriate premium for the month in which any layoff occurs and one (1) month thereafter.
- 18.6 When a unit employee is discharged for just cause or resigns his employment, the Employer shall only make its contribution for the month in which such termination occurred.
- 18.7 When a laid off unit employee is reinstated, the Employer shall make the required appropriate premium payment commencing the first of the month following the month in which such employee returns to work.
- 18.8 When a unit employee who has been on a leave of absence returns, the Employer shall make the appropriate premium payment beginning with the month following the employee's return to work.
- 18.9 If a unit employee is laid off, the Employer agrees to accept the appropriate premium payment for the employee and remit such premium to the provider of coverage.

ARTICLE 19 – SUPPLEMENTAL BENEFITS

19.2 Leave for illness or injury of a non-work connected nature should not be used unless actually necessary. Such sick leave cannot be used until earned. Circumstances for drawing sick leave, and qualifications for obtaining it, are as follows:

(a) Circumstances for drawing sick leave.

- (1) Leave with pay may be used for absence necessitated by non-work connected illness or injury to the employee, or the emergency illness of an employee's immediate family member.
- (2) Maternity/Paternity leave may be taken in the event the presence of the employee is required, or advisable, in the opinion of a duly licensed physician.
- (3) Employees shall be allowed to use their earned leave if they become ill on vacation provided the employee adheres to Section b(3) of this Article, except that a certificate, as outlined in subparagraph b(4) hereinafter, will be required in all cases, even if less than three (3) days in duration.

(b) Qualifications for obtaining sick leave.

- (1) Employee must report reason for absence from work promptly to Fire Chief, or his designee.
- (2) Employee must keep the Employer informed of their condition.
- (3) Employee must permit the Employer to make such medical inquiry, or visit, as may be determined necessary.
- (4) Employee must submit a certificate by a duly licensed physician for any absence of three (3) or more scheduled working days certifying as to the nature of the illness or casualty, the possible duration of absence with an estimated date of ability to return to work, and that the absence was medically necessary. In lieu of such a certificate, the Employer may exercise his discretion and accept other suitable evidence which it may deem satisfactory.
- (5) Any misuse of sick leave or the making of false reports regarding illness may subject the employee to disciplinary action, including discharge, and may also be considered just cause for the loss of all or part of sick leave credit.

19.3 Where there is insufficient sick leave credit to cover the continued absence of an employee for reasons of a non-work-connected illness or injury, the employee may choose to take

any earned and accumulated vacation or leave without pay.

- 19.4 While an employee is on sick leave, the employee shall continue to earn additional sick leave as set forth in this Article.
- 19.5 No sick leave benefits shall be paid to an employee who terminates his or her employment with the City of Monona.
- 19.6 Employees who retire from qualified service with the Employer and who provide the Employer with at least 30-days' notice of their intent to retire, shall be allowed to convert unused accumulated sick leave into a supplemental benefit per the CITY OF MONONA Sick Leave Conversion Plan: Firefighters/EMT Employees as adopted by the City Council on March 21, 2005. In the event an employee fails to provide 30-days' notice of retirement, the City reserves the right to forfeit payment of the employee's accumulated sick leave. The Sick Leave Conversion Plan shall be attached to and made a part of this agreement and shall not be changed except by written agreement of the parties.

ARTICLE 20 – CLOTHING

- 20.1 The Employer shall budget the sum of Five Hundred Dollars (\$ 500.00), per employee per year. Employees will receive one direct payment of their annual clothing allowance in January of each year. Employees will not be required to substantiate their purchases, and the payment will thus be reported as taxable income per IRS regulation. Employees who have given notice of their employment termination or retirement will not receive the annual payment. Required clothing which is damaged or worn out will be replaced by the City without deduction from the Employee's annual clothing allowance.

hours may be taken as paid leave time when requested, scheduled, and approved by the Fire Chief. Any hours not used or scheduled to be used as paid leave by November 1 of each year will be paid out prior to December 1 of that calendar year.

- 21.3 The ninety six (96) hours of pay or paid time off referenced above will be prorated for employees who begin or cease employment during the calendar year. For instance, an employee who begins employment on June 1 will receive pay or paid leave time for those holidays after June 1 in the year. In the event that an employee uses all ninety six (96) hours as paid leave time but leaves employment prior to the end of the calendar year, the employee must reimburse the City for the hours of those holidays which occur after the employee's last day of employment.
