Training

Chief Ostrenga and Det. Bomkamp attended the 2019 WI Police Leadership Foundation Mid-Winter Training Conference, February 11-13, 2019.

Lt. Wiegel, SRO Wunsch, and CRO Reiter attended the 3rd Annual Active Threat Integrated Response Conference, February 20-21, 2019.

Officer Ostrowski attended an 8-hour Plain Clothes Investigation training, February 28, 2019.

Speed Trailer

The Speed Trailer was put away for the winter season. To request the speed trailer in your neighborhood contact Officer Jim Reiter at: jreiter@ci.monona.wi.us

Security Checks

Officers performed 105 security checks in the month of February. A security check is when an Officer goes into a business and walks around to meet with staff to discuss any problems that the businesses are aware of. This also serves as a deterrent for theft. For the overnight shift, this entails checking the perimeter of the business and pulling on doors to make sure the businesses are secure.

Retail Thefts

There were 35 retail theft cases in February, up quite a few from the 26 cases in January. Around 40 cases are typical in a month. These cases can be time consuming if the suspect flees and follow-up outside the City is necessary.

Tellurian Treatment Center

In February we had 20 calls to the Tellurian property totaling 15.5 hours of police time.

Use of Force Incidents

On February 2nd, 2019, at 9:54 am, a Monona Officer heard the County Dispatcher say that a stolen auto was in our area. The Officer observed the vehicle as it made a few of traffic violations. The Officer attempted to stop the vehicle, but it entered the beltline driving erratically at an extremely high speed. Per policy, the pursuit was terminated. (MO19-01339)

On February 6th, 2019, at 10:22 pm, an Officer was dispatched to Wal-Mart for a retail theft in progress. An adult female concealed two headsets worth \$139 and attempted to flee from the loss prevention agent. The Officer chased after the suspect on foot through the parking area and when he went to put on handcuffs, the suspect resisted verbally and physically. The Officer had to decentralize the suspect to the ground in order to secure her into handcuffs. The suspect was cited for Retail Theft and Resisting Arrest and taken to jail on an arrest warrant.

(MO19-01532)

On February 23rd, 2019, at 1:51 am, Officers were dispatched to Denny's restaurant for a report of a disturbance between customers. When the investigation was complete the intoxicated arrested suspect refused to walk on his own to the squad car and had to be carried. The suspect then slammed his own head into the squad cage while screaming he was the devil. The suspect declined to cooperate with EMS and refused to put his legs into the squad, so two knee strikes were delivered to the suspects quad muscle to attempt to gain compliance. The suspect still refused and a Taser was presented as a final option. Voluntary compliance was then obtained and the male was booked into the Dane Co Jail.

(MO19-02265)

Citizen Complaints

There were no citizen complaints in February.

1st Shift Monthly Report

For February I felt it was important to attach the photos of three guns recovered by Officers. This was accomplished by a second shift Officer and a third shift Sergeant.

The first incident was an OWI case. These two handguns were located as a result an Officer observing marijuana inside the car of a suspected drunk driver. 63 grams of marijuana and two loaded handguns were inside the car. The driver was arrested for carrying a concealed weapon, possession with intent to deliver Marijuana and OWI. The passenger was arrested for carrying a concealed weapon, possession of marijuana, and obstructing. (MO19-01493)

The second incident was a traffic stop at 12:35 am for operating without headlights on. An unlicensed 15-year-old driver was operating the car. A strong odor of burnt marijuana allowed for a search of the vehicle, which led to this loaded handgun, 46.8grams of marijuana and 4 ecstasy pills. (MO19-01685)

2nd Shift

Here is the second shift activity report for the month of February 2019. Officers conducted 80 traffic stops. We handled 21 Retail Thefts, and 18 crashes. There were also 3 arrests for Operating While Intoxicated.

The following are some of the cases second shift handled this month.

On February 3rd Officers responded to Wal-Mart in the City of Monona for a fight in progress. While responding Officers were told that one of the people involved pepper sprayed another individual. When Officers arrived on scene the disturbance was over. Officers learned that this incident stemmed from a fight that occurred somewhere else earlier in the week. Both parties involved advised that they did not need the police. Neither wished to pursue charges.

On February 3rd Officers conducted a traffic stop on a vehicle pulling an enclosed trailer. During the stop Officers discovered that the trailer was stolen. Officers also learned that the driver had a warrant for his arrest. The driver was taken to the Dane County Jail on his warrant and possession of stolen property.

On February 3rd while Officers were investigating the stolen trailer a disturbance was reported in the 300 block of Femrite. Due to both Monona Officers being tied up with the stolen trailer mutual aid was requested. An outside agency responded to the disturbance and conducted an investigation. No arrests were made.

On February 22nd Officers responded to the 6300 block of Winnequah Road for a residential burglary. The resident stated that someone had kicked open the door. Upon arrival Officers noted that the door frame was shattered. A sweep of the residence was conducted and no suspects were found inside. While investigating the incident Officers noted that something specific was taken from one of the dressers. Other valuable items like TV's and game councils were left alone. It is believed that possible narcotics were taken.

Sergeant Jeremy Winge is the 2nd shift patrol supervisor and can be contacted at: jwinge@ci.monona.wi.us

3rd Shift

The Monona Police Department third shift officers handled 5 retail thefts, 5 business alarms and responded to several disturbance calls during the month of February. Officers made 52 traffic stops, 29 were given warnings, while 23 were issued citations.

On February 2nd, 2019 at 5:09 a.m. officers responded to Wal-Mart for a Retail Theft. Officers located the suspect and detained her for the investigation. The female suspect had initially provided a false name, which came back with active arrest warrants out of Grant County. While enroute to the Dane County Jail the female advised she had provided a false name and gave her true identity. The female also had active arrest warrants under her real identity. While inside the Dane County Jail, the body scanner was used that suggested that she had an object placed in her anal cavity. The female advised that she had forgot that she had placed a crack pipe at this location. The female was booked into the Dane County Jail on criminal charges.

On February 8th, 2019 at 3:13 a.m. a traffic stop was conducted on a vehicle for speeding, 69 mph in a 55 mph zone. During the traffic stop a K-9 was requested for a vehicle sniff. A Dane County K-9 alerted to the vehicle indicating the presence of a controlled substances. During a search of the driver an officer located 5 individual baggies of methamphetamine with a total weight of 5 grams. The individual was arrested and taken to the Dane County Jail on possession with intent to deliver methamphetamines.

On February 11th, 2019 at 12:35 a.m. a traffic stop was conducted on a vehicle for operating without any lights on during the hours of darkness. During the initial contact with the vehicle the officer observed furtive movements and detected the odor of burnt marijuana. During the search of the vehicle officers located a 9mm handgun that had 11 bullets in the magazine underneath the front passenger seat where the suspect had initially been seen reaching. Officers also located 47.1 grams of Marijuana and 11 grams of ecstasy. The suspect was taken to the Dane County Jail on numerous charges.

On February 21st, 2019 at 1:51 a.m. officers responded to Denny's restaurant for a fight in progress. The investigation determined that a male and female intoxicated and under the influence of a controlled substance had been picking fights with customers. During this an altercation broke out and one of the suspects threw water in an employees face. It was determined that the two suspects would be arrested for Disorderly Conduct. During this both suspects resisted arrested and had to be forcibly placed in the squad car with leg restraints. Once in the patrol car one of the suspects struck his own head repeatedly on the petition while trying to kick out the back windows. Both suspects were taken to the Dane County Jail and released to the movement team.

School Resource Officer

February was a cold month that consisted of me handling 27 cases at the Monona Grove High School, 1 case at MG21 and 0 cases at Winnequah Elementary School. I issued 3 citations for Disorderly Conduct, 2 citations for Habitual Truancy, 1 citation for Possession of a Controlled Substance, 1 citation for Possession of Nicotine, 1 citation for Possession of Marijuana, 1 citation for Vaping in an Educational Facility and 4 Parking citations.

I presented an ALICE (active shooter principles) PowerPoint for Immaculate Heart of Mary students. A barricade drill was conducted at MG21 with students on 02/22/19 and at MGHS with students on 02/26/19. Five outside law enforcement agencies assisted with the drill at MGHS. I also attended an Active Threat conference in Oshkosh that involved debriefs from some of the most recent active shooter incidents around the country.

Two separate incidents were reported of students smoking something in bathrooms at MGHS. Searches of the students turned up a THC “dab pen”, some drug paraphernalia, and a small amount of marijuana. Three of the 4 students involved received citations for either vaping or being in possession of drugs.

I received information from Cottage Grove Police regarding an incident that happened outside of school with a high school student. There were concerns for the student’s safety and well-being. I shared the information with the student’s school counselor and we met with the student, making him aware of additional resources. Contact was also made with the student’s mother.

I received information from SRO Helgeland with Cottage Grove Police. A student at GDS was reporting a domestic disturbance that took place prior to school. I met with the student and had patrol go to the residence in Monona to check the welfare of mom. Mom was okay and reported her son had gotten out of control because he did not want to go to school. The case was referred to Child Protective Services for their review.

Citation and Arrest Statistics

During the month of February, the Monona Police issued numerous traffic citations, municipal ordinance (non-traffic) citations, parking citations and warnings. In addition, there were many referrals for charges. See the detail below.

Traffic Citations	156
Municipal Ordinance Citations	59
Parking Citations	32
Traffic Warnings	90
Adult Arrests & Referrals	14
Juvenile Arrests & Referrals	4

Each of the adult and juvenile arrests and referrals take at least an hour and a half of the dispatchers’ time to complete the reports and intake paperwork for the Dane County District Attorney’s Office. In addition, Police staff must follow up by going to the DA’s office to sign probable cause forms, as well as, review and electronically sign complaints to ensure the subjects are properly charged or held on charges.

Dispatch

The Monona Communications Center answers 911 and business line calls for Police, Fire, and EMS incidents. Calls for service for Fire and EMS are transferred to the Dane County Communications Center for dispatching of Monona Fire and EMS personnel. The Monona Communications Center advises Police of high priority Fire and EMS calls in the event Officer Response is required. Many of the business line calls include routine phone calls from citizens who are not only seeking police assistance, but also assistance with processing citation payments, requesting police records and general assistance issues. The dispatchers are also responsible for preparing and filing officer reports, citations, accidents, parking, UCR reporting and many other routine daily duties.

During the month of February, Dispatchers handled 1,184 calls for service. Most of these calls for service were received on the non-emergency lines, via personal reporting at the Police Department, transfers from the Dane County Communications Center or as self-initiated calls directly from Monona Officers. On January 10th, all landline 911 calls were automatically transferred to and answered by the Dane County 911 Center. The Dane County 911 Center Call Takers enter the calls in the TriTech CAD and the information is immediately visible to our Police Dispatchers. The Dane County 911 Center does maintain the ability to transfer 911 calls back to the Monona Dispatch Center if determined appropriate. The process appears to be working well.

Lieutenant Sara Deuman is the Technical Services Commander in charge of Dispatch, Court Services and Investigations. She can be contacted at sdeuman@ci.monona.wi.us

During the month of February, Community Resource Officer Reiter was involved in the following crime prevention and community relations activities:

Officer Reynolds and I attending the MALPA (Madison Area Loss Prevention Assoc) meeting at the Madison East Police District. The meeting allows Loss Prevention Officers and Police Officers to discuss and share any cases of retail theft. Several members share unsolved or unidentified suspect photographs with hopes of having someone identify the suspect. At this meeting Monona Officer assisted with identification of two subjects.

I attended the Dane County Sensitive Crimes meeting at Madison South Police District. The meeting focus was for the year to come and what funding is available to continue or cut services for the year. One main topic was discuss was a critical response team being created for Child Protective Services similar to that of the DA's office.

Lt Wiegel, Officer Wunsch and I attended the Annual Active Threat Conference in Oshkosh. Great speakers were on hand to provide insight about different incidents throughout the Country such as Parkland, Pulse Night Club, Middleton, and "I love you guy's foundation". Great take always will be used for conducting training for when I teach Civilian Response to Active Threats.

Community Relations Officer

I gave a safety presentation at the Stepping On for the Senior Center. The topic focused on safe driving, being out and about in the community and how to be prepared prior to leaving your home. Several questions were asked about how to drive in a roundabout and the difference between each roundabout.

I assisted Officer Wunsch at the Monona Grove High School with a safety drill. The drill was geared toward students and staff doing active threat within the school and doing a barricade drill.

Monona Meriter Clinic had a client make a statement about her husband shooting the place up. The clinic went into a full lock down until the threat was proven false. I assisted with a staff debrief over their lunch hour two days after the incident occurred. Some great takeaways were thought about for the clinic and how they can improve their process during a lock down. The clinic also wishes for additional trainings and meetings in the future.

I was recruited to assist on the planning committee for the next Triad conference. I attended my first meeting with the committee, which is in the planning stage of what breakout sessions they wish to have for the next conference.

Several residents have requested extra traffic enforcement on Winnequah Road near Graham and Dean for speeding and stop sign violations during the morning rush hour times. During the month of February, I performed several enforcements in those areas.

If you would like to involve the Monona Police Department in a community presentation or event, please contact Community Resource Officer James Reiter at 608.222.0463 or jreiter@ci.monona.wi.us
